How do I claim my exemptions?

In order to assess your eligibility for full exemptions, once you graduate, you will be required to submit a copy of your completion certificate and full course transcript.

What if I don't complete my course?

If this is the case, please let us know as soon as possible.

If you don't complete your course you may not be able to claim full exemptions and will need to sit and pass the relevant ACCA exams.

Unfortunately, you will no longer be eligible for the Accelerate Incentive and you will be invoiced for awarded exemptions at full price.
